ESTABLISHMENT OF DEEMED TO BE UNIVERSITY UNDER DISTINCT CATEGORY

SUMMARY

VISION:

To develop human excellence and inculcate leadership through hard work and creativity through distinct programs that enriches and expands our collective contributions in the field of health science and technology to the world.

MISSION:

- To provide a learning environment in which faculty, staff and students can discover, examine critically, preserve and transmit the knowledge, wisdom and values that will help ensure the survival of this and future generations and improve the quality of life for all.

- To help students to develop an understanding and appreciation for the complex cultural and physical worlds in which they live and to realize their highest potential of intellectual, physical and human development.

- Seeks to attract and serve students from diverse social, economic and ethnic backgrounds and to be sensitive and responsive to those groups which have been underserved by higher education.

INTRODUCTION:

Puducherry, Union territory in India, was formed in 1962 by merging the four former French colonies: Pondicherry (now Puducherry), Karaikal, Yanam, and Mahe. Here are some key details about Puducherry:

- Area: Puducherry spans 190 square miles (492 square km).

- Population: The total population of the Union territory is 1,244,464 as per the Census 2011.

- Literacy Rate: The literacy rate stands at 86.55%.

- Educational Hub: Puducherry boasts 3 universities and 142 colleges distributed across all four regions.

- Gross Enrolment Ratio (GER): Achieved a GER of 47.3, Puducherry has a total enrolment of 68,514 for the age group of 18-23.

- Healthcare: With a per-capita expenditure of Rs.1,658/-, Puducherry's network of health institutions serves over 55 lakhs out-patients and 1.5 lakhs in-patients annually.

- Medical Education: The territory hosts one central government, two state government, and seven private medical colleges, offering more than 1,000 seats in undergraduate medicine courses and 720 seats in undergraduate nursing courses.

The Ramachandra Educational Trust, established in 1999, aims to serve the people of Puducherry and surrounding districts. Their focus includes establishing and maintaining educational institutions in health sciences and technical education. Notably, the Sri Venkateshwaraa Medical College Hospital in Ariyur, Puducherry, was founded in 2005 by the trust to provide healthcare support to rural villages. The hospital spans 11.37 acres and features a multi-specialty infrastructure. The other five health care and Engineering institutions were established during 2007-2018.

1. Sri Venkateshwaraa Medical College Hospital and Research Centre, Puducherry (SVMCH&RC)
2. Sri Venkateshwaraa Dental College, Puducherry(SVDC)
3. Indirani College of Nursing, Puducherry(ICON)
4. Sri Venkateshwaraa College of Paramedical Sciences, Puducherry(SVCPMS)
5. Shri Venkateshwaraa College of Pharmacy, Puducherry(SVCP)
6. Sri Venkateshwaraa College of Engineering and Technology, Puducherry (SVCET),

For the financial year 2023-24, the Ramachandra Education Trust generated a total revenue of Rs.203.00crores from various sources like fees, rentals, and hospital services. Out of this, Rs. 147.00 crores (approximately 72%) were allocated for administrative, academic, and developmental activities.

Sri Venkateshwaraa Medical College Hospital and Research Centre, Sri Venkateshwaraa Dental College, Indirani College of Nursing, and Sri Venkateshwaraa College of Engineering and Technology are recognized under Section 2f of UGC, while other institutions like have applied for the same recognition. All institutions are registered with AISHE and participate in annual data submission. The medical and dental colleges have also engaged in the NIRF ranking.

In line with the National Education Policy 2020, the Trust aims to establish multidisciplinary health scince and technology multi disciplinary deemed to be University with constituent existing colleges, enrolling over 3000 students, and introducing new disciplines and distinct programs. 1	Number of Ph.Ds.	25
2	Number of Publications in indexed journals	600
3	Number of research papers/review papers/book chapters in SCOPUS indexed journals/Conference Proceedings	400
4	Number of Sponsored R&D Projects	75
5	Number of books/laboratory manuals published	60
6	Number of Patents/copyrights	200
7	Number of conferences/workshops/seminars etc. conducted to promote the research	500
8	Number of Industry Sponsored Projects	10

Based on the eligible faculty in the existing departments and by recruitment for the new courses, the students for the Ph.D. programme will be admitted as per the regulations of UGC.

INFRASTRUCTURE PLAN:

The campus of 58.55 acres of land with the building for 1, 99,620.65 sq.mts is more than sufficient for the existing disciplines. In order to start new disciplines in the six colleges, the required infrastructure will be provided in phased manner. However, the new academic block, stadium, Library block etc. which are under construction will be completed before the end of this academic year 2024-25. The modernization of laboratories and creation of research laboratory with modern sophisticated equipment for the research in emerging fields will be developed.

FINANCE PLAN:

The increase in the revenue is planned by offering various programme unique and job- oriented of national and international level, increasing the consultancy, paid training programme and the user charges of the various services provided by the Institutions. The financial plan for 5 years is detailed below:
